

Hand in Hand for Father's Day

Make a card or piece of art for someone that cares for you using their hand and yours.

1. Find a piece of paper or cardboard to use as your art base or card for your hand in hand picture.
2. Find a piece of paper to color on and draw around the adult's hand for your Father's Day card.
3. Cut out the hand shape and glue it to the card.
4. Find another piece of paper to color and draw around your own hand.
5. Cut out your decorated hand shape and glue it to the card to make a picture of your hands together.
6. Decorate your picture with words and other designs.
- 7. Share your picture with the person you made it for.**
